March 2011

Dear Viking Fan:

Get ready – the 2011 football season will be here soon. The Viking coaches and players are already working hard preparing for the upcoming season. With diligence and hard work, their goals can be accomplished continuing the tradition of excellence that is Lowndes High School.

Success is built around teamwork. The Viking Touchdown Club is an integral part of that teamwork. Your support will help the team's success by enabling us to send these young men to camp, provide team meals, and furnish equipment allowing them to reach set goals. What better way to show that support than by joining the Viking Touchdown Club. Please carefully look over the enclosed membership application that details the **five** membership levels. In your membership packets you will receive a football decal to place on your rear window denoting you as a Touchdown Club member. This decal **is not for entry** into the reserved parking area. You **must** display your 2011 parking pass in the front window of your vehicle, if your membership level provides one.

Also, enclosed is a golf tournament application for the upcoming March 17th fundraiser and membership drive. The tournament is held at Francis Lake Golf Course beginning with a 1:00 PM shotgun start. If you are planning to enter a team in this event, please fill out that application as well and return both in the enclosed return envelope. Should the afternoon flight fill completely we will create a morning flight.

Crimson Viking, Super Silver Viking, Plowboy Viking, and Silver Viking have their names placed in the football program and on the stadium concourse. After each game, join us on Monday nights to re-watch the football game narrated by Coach McPherson and discuss upcoming games and events. Remember the season opens on August 12, 2010 with a pre-season game against TCC, so let's get ready and show our Viking spirit by supporting our Touchdown Club!

Thank you for your continued support and GO VIKINGS!
